

4Life Transfer Factor® Cardio

Support for a healthy heart and cardiovascular system*

- Supports healthy cardiovascular and circulatory system function*
- Features Targeted Transfer Factor® technology
- Provides antioxidant support*

What Is 4Life Transfer Factor Cardio?

4Life Transfer Factor Cardio features exclusive Targeted Transfer Factor technology and other ingredients specifically developed to support a healthy cardiovascular system. Along with the immune-enhancing benefits of 4Life Transfer Factor, the combination of heart-healthy nutrients includes coenzyme Q-10, *Ginkgo biloba*, garlic, red rice yeast extract, and others to promote healthy blood pressure and cholesterol levels.*

Key Features

- Features 4Life Transfer Factor to educate immune cells*
- Includes red rice yeast, which contains monacolins, naturally occurring compounds that inhibit the activity of a liver enzyme that produces cholesterol*
- Contains transfer factors that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats*
- Is protected by U.S. patent 6,468,534 (extraction process for transfer factors from chicken egg yolks)

Primary Support:

Heart Health*

Secondary Support:

Immune System*

Antioxidant*

DIRECTIONS: Take four (4) capsules daily with 8 oz of fluid.

Supplement Facts		
Serving Size: Four (4) Capsules		
Servings Per Container: 30		
Amount Per Serving		% DV*
