

Super Detox®

Top-selling detoxification and liver support*

- Supports the liver's cleansing, detoxifications, and digestive functions*
- Protects the liver from toxin-induced damage*
- Contains ingredients that have been shown to provide antioxidant protection for the liver*

What Is Super Detox?

Super Detox is formulated to support the liver's cleansing, detoxification, and digestive functions.* As one of the body's most essential organs, the liver helps remove toxins from blood, plus a myriad of other vital functions, including: the production of enzymes and bile that aid in the digestion of food, storage of energy to fuel muscles, maintenance of normal blood sugar and cholesterol levels, and the regulation of several hormones.

A healthy diet and nutritional supplementation can help protect the liver from oxidative stress and potentially harmful substances, and keep it functioning optimally. Ingredients like milk thistle, red clover, n-acetyl cysteine (NAC), calcium d-glucarate, and other healthful nutrients are blended in Super Detox to provide nutritional support and promote overall healthy liver function.*

Primary Support:

Cleansing & Detox*
Digestive Health*

Did You Know?

Super Detox is beneficial when taken for 30 days, every three months, or as a daily supplement. You can also use it in conjunction with RiteStart® Men or RiteStart® Women to help maintain your daily nutritional support, promote liver function, and support overall wellness.*

DIRECTIONS: Take two (2) capsules daily with 8 oz of fluid.
